STARKY & HUTCH TORINO – 50TH ANNIVERSARY

LOCATED IN BUILDING T

Starsky & Hutch was a television cop drama that aired between 1975 and 1979 and was released as a movie in 2004. Regardless of the differences in cast or plot lines, a red and white Ford Torino was front and center in both. Join us in celebrating the 40th anniversary of this special edition red and white Torino with the cars and the cast in Building T.*

Special thanks to the Starsky & Hutch Torinos Club for their assistance.

SPECIAL GUEST: PAUL MICHAEL GLASER

We are pleased to welcome Paul Michael Glaser, aka "David Starsky," from the iconic ABC show.

An actor since 1966, Glaser rose to fame on the show and has been part of other popular films both on camera and behind it. Following the run of his character on *Starsky & Hutch*, he appeared in several movies and earned director credits for films and TV shows that, most recently, include *Lego: The Adventures of Clutch Powers*.

SPECIAL GUEST: ANTONIO FARGAS

We are also pleased to welcome Antonio Fargas, aka "Huggy Bear," from the 70s TV show.

Since 1963, Fargas has been entertaining on TV and film. His breakout role was in the late '60s comedy, *Putney Swope*, today a cult film, and then as the pimp, Huggy Bear, on *Starsky & Hutch*. Additional credits include the 1974 film *Foxy Brown*, *Car Wash* in 1976, *I'm Gonna Get You Sucka*, and *Don't Be a Menace to South Central While Drinking Your Juice in the Hood*.

RIDE-ALONGS

Go for a ride in a Starsky & Hutch Torino with the cast members on Sunday afternoon! Just go to the Gateway Classic Mustang Autocross Track (see map) to take advantage of this unique experience.

1976 Ford Gran Torino

Movie Car
Eldon Corley

Known as Hero Car #1, this 2,250 original-mile Gran Torino was driven by Ben Stiller (David Starsky) with Owen Wilson (Ken Hutchinson) in the modern movie. The car was originally owned by Movie Mike and both Ben Stiller and Owen Wilson have autographed it.

1976 Ford Gran Torino
Starsky & Hutch Edition
Shane Bryant

This *Starsky & Hutch* limited edition is the lowest mileage original known to exist. With only 2,500 miles, it earned a perfect score with zero deductions at the Fairlane & Torino Nationals in Kingsport, TN.

Choosing Ford Nationals Over Son's Graduation

By Sarah Burkarth, Carlisle Events Social Media Coordinator

Carlisle is like the Super Bowl for John Clor. Being an employee of Ford Performance, John is no stranger to amazing automotive events, but, to him, Carlisle Ford Nationals ranks high above the rest.

John has always been an automotive enthusiast and is lucky enough to have the title of Enthusiast Communications Manager at Ford. He started out as an automotive journalist for a number of magazines and continues to be a regular columnist for magazines specializing in Ford and the Ford Mustang. John's current published column is the top-read monthly feature in *Mustang Times*.

In 1995, John became the Communications Manager of the Special Vehicle Team, Ford's high-profile, high performance vehicle group. There he developed media programs, dealer training, content for its consumer-facing

website, plus various marketing materials. After managing the SVT and Shelby GT500 websites for more than a five years, John penned and published a hardcover history book titled *The Mustang Dynasty*. Aside from journalism, John manages a club outreach marketing program, and that is why this event is so important for him to attend. "I don't have a better opportunity to meet so many people," said John.

Since the first year working for Ford in 1995, John has attended every single Carlisle Ford Nationals event. It's easy to find the Ford display because of their massive footprint, but 21 years ago John was the first to represent Ford with a single 10-by-10 pop-up tent on the Midway. His entire display included just a few show cars and printed posters for handouts, yet so much attention was drawn to the display that John went back

to headquarters in Dearborn exclaiming that Ford must return to Carlisle every year from then on out.

Unlucky for John's two sons, both of their high school graduations fell on the Ford Nationals date. Already stating that he would never miss the show in Carlisle, John delivered the news he would be unable to attend the graduation ceremony. "Don't worry, I did see videos of the whole thing," he joked. "The Ford Nationals have been such a big part of my life that I could not imagine missing it." John has been a speaker at many banquets and anniversary celebrations over the years and also has the honor of picking the Coolest Club Hangout winner. "There are plenty of Mustang shows, but to include everything is unique, and a true celebration of the brand...one of the coolest things I've seen in my career."

VENDOR SPOTLIGHT: BRANDA PERFORMANCE LOCATED AT J 43-51

Carlisle is Home

By Sarah Burkarth, Carlisle Events Social Media Coordinator

Tony Branda prides his company on being a little unlike the others, and he doesn't want to conform to today's norms. He will always have a printed catalog for his Shelby and Mustang parts and will always keep a fully stocked inventory on hand. With today's modern technology many people are starting to turn away from printed publications and look to the internet to order parts for their cars. Tony believes in the good old fashioned parts catalogs and bringing a full inventory to shows so that customers can handle the parts before purchasing.

Tony has been a regular at Carlisle since the early 70s, and specializes in vintage Shelby and Mustang parts. Not only is his company represented at this event, the crew makes the

trip from Altoona, PA for both Spring and Fall too. Tony owns a storefront in Altoona and his son manages a website for him. They both look forward to the face-to-face interactions with customers at Carlisle. He actually attributes Carlisle Events for putting his company "on the map" in the automotive world.

It is a fear of Tony's that the automotive hobby will one day be lost if younger generations do not become more interested in restoring vehicles. Tony has been known to give discounts to younger customers that are buying parts for an older Mustang because he wants to do his part in keeping the kids excited over what he has dedicated his life to. Not only does his company sell parts, Tony is always open to

giving out advice about cars. "We have customers that will call and ask for help or tips, and I gladly talk them through it."

"I never thought my hobby would turn into a business," said Tony. After his wedding in 1973, Tony and his wife had only \$73 left from wedding gifts, and he decided to invest that in some Shelby and Mustang parts. He went to a car show and sold all of those parts within 15 minutes, and knew that this could be the start of something special.

"I've gotten everything I've ever wanted out of this business," said Tony. "I don't plan on retiring any time soon, but I am starting to train my son so he is able to take over the company for me. Carlisle is home for us."

Each issue of ACC contains more than 100 market reports on individual cars that have appeared at auction, with published sold prices highlighted by on-site evaluations that cover condition, originality and options. Not only do we tell you what a car sold for, we help you understand why. Every issue also includes in-depth profiles on cars from GM, Ford and Mopar, joined by Hot Rod, Race Car, Corvette and Truck. Whether you have one car or 20, ACC has the information that'll keep you on top of what's happening in the American collector-car world. Subscribe at americancarcollector.com.

NEW VENDOR: FREE SPACE*

If you never vended with us or haven't done so in at least one complete season, buy two spaces and get one free!

CURRENT VENDORS: BUY ONE GET ONE*

If you are a current vendor in at least one event or were a vendor in the past season, buy one space (at a new/different) event and get one free!

EARLY BIRD RENEWAL DISCOUNT

The best deal in renewing your vending spaces is to pay for 2017 before the event is over. You'll get a 5% discount! Visit Vendor Services in the Registration building outside Gate 3.

RESTORING AMERICAN HISTORY

"Hello, I just wanted to give praise to your company and the great job you do. In a world that seems to lack in customer service, as well as a complete business plan, your company is head and shoulders above the rest. Being a long time car restorer, tech advisor and a shop supervisor, it is a pleasure to deal with a company of your quality. Through the years I have tried other companies but your company is the best... Once again thanks for providing a great service to the car hobby."
